

GLP THREE™

Little Bottle Big Results

Introducing GLP THREE™, an innovative new product designed to support your weight management goals. GLP THREE™ is powered by MBC-267™ (Metabolic Boost Complex-267™), an all-natural peptide complex discovered in salmon living deep in the pristine waters of the Norwegian Sea and in mushrooms.

Features & Benefits

- **Curb food cravings.** GLP THREE™ is designed to help you feel fuller longer, curbing the food cravings and leading to more mindful eating choices.
- **Supports healthy weight management.** This isn't some fad diet – it's a way to support your weight management goals without extreme dieting.
- **Supports healthy muscle mass.** GLP THREE™ helps decrease body fat, improve muscle tone, and support fat metabolism when combined with exercise.

Key Ingredients

MBC-267™ Peptide Complex

MBC-267™ is a proprietary peptide complex that binds to the GLP-1 receptor. Our cellular absorption technologies cause polyphenols to interact with this complex, coating and surrounding it to pass through the GI tract without breaking down while adjuvant technology helps the peptide complex to diffuse through the cellular membrane and exert its beneficial biological activity. End result? Weight management support without the side effects seen in other options.

High Performing Ingredients

- Panax Ginseng Extract, which is rich in molecules called ginsenosides.
- Saffron Extract, which is rich in molecules called safranal and crocin.
- Humulus Lupulus Extract (Hops), which is rich in bitter acids.

GLP THREE™

Little Bottle Big Results

INGREDIENTS: GLP THREE™ COMPLEX: 320 mg (MBC-267™ Peptides (Salmon Protein Hydrolysate, Mushroom Glycolipids), Panax Ginseng Extract, Saffron Extract, Humulus Lupulus Extract).

OTHER INGREDIENTS: Purified Water, Natural Flavors, Reb M, Peppermint Extract.

RECOMMENDED USE: Take $\frac{3}{4}$ of a dropper 30 minutes before your meal, or as desired.

WARNING: Keep out of reach of children. Not intended for individuals under the age of 12. Consult your healthcare provider prior to use if you are pregnant, attempting to become pregnant, nursing, taking medications, or have any health concerns. Do not use if safety seal is broken or missing.

STORAGE: Store in a cool, dry place.

CONTAINS: Fish
