

01

RETAIL COMMISSIONS (paid daily)

Distributors/Brand Ambassadors in North America (United States and Canada), Australia, New Zealand, Japan and Philippines are eligible for this bonus.

The bonus is 25% of the retail price (order subtotal before taxes) from personally enrolled retail customers.

Through Daily Pay, commissions earned from retail customers are paid the following business day.

Example: if your retail customer places an order by Monday at 3:00 pm, retail commissions for this order will be paid on Tuesday.

02

PREFERRED CUSTOMER ACQUISITION BONUS "CAB" (paid weekly)

For initial orders placed by a Preferred Customer, the sponsor will receive PIB. All subsequent orders will pay 30% CAB. The volume from a Preferred Customer's order will not count toward the sponsor's active status.

The commissionable volume of the Preferred Customer's order will be reduced.

Example: if a Preferred Customer places an order for product (20 CV), the sponsor will receive the CAB in an amount of 30% of the 20 CV; however, the volume from that order will not count toward the sponsor's active status.

Membership Fee: Preferred Customers pay a membership fee of \$30 per year, unlocking access to purchase products at wholesale pricing.

03
